Wild Life Act, 1972

- Use this template to create a mind map for every exam you are planning to take.
- Make sure to create it at the beginning of the semester. This will provide a great overview of the assessment load and help you keep track of your study progress during the semester.
- This mind map can also be seen as an index map for the entire lecture/course. From here, you can link to all your other maps (including notes from lectures, books and homework assignments), add links to sources and note down any information that might help you pass the exam.
